ABMC AKC TRIAL

Another AKC trial was successfully held at the 3/4 Circle H Ranch in Gardnerville. Trial chairman Sue Haase also hosted the trial on her family's ranch, one of the nicest places in the west to trial, we are told by handlers from out of the area. The weather was good and the stock were good and the trial ran smoothly.

Judges Leila Jane Bradley from Georgia and Rusty Jeffers from California did a great job, and secretary Karen Toth kept us all organized. Lisa Edwards was chief stock handler with help from local handlers. The trial committee: Lisa Edwards, Sue Haase, Terri Jones, Sandy Moore and Barbara Peach did an admirable job of getting everything together and running.
